

Finally, a law firm that comes to you

FINALLY, a law firm that comes to you - and at no extra charge?

Swift Legal Solutions is certainly not your average law firm and after such success in their Hervey Bay and Maryborough branches, they are here to help the Logan and Scenic Rim districts.

Local lawyer, Michele Davis, joined Swift Legal Solutions with one thing in mind - accessibility.

"Throughout your life, you're going to need a lawyer," she said.

"We don't believe quality legal advice can only be found between the walls of a law office and exclusively between the hours of 9am to 5pm.

"It's essential to get the advice to protect yourself but too many miss this opportunity due to their schedules and workloads.

"After such success in our Hervey Bay and Maryborough branches, it is clear that the public needs this type of service; this is one of the many reasons I joined this team."

Ms Davis is also passionate about offering those important services to the elderly.

Being very close to her own grandparents as she has grown up, she sees how age, frailty and

a rapidly developing society can impact on the comforts of getting out and about and getting your affairs sorted.

"I truly worry about how many people put their legal jobs to the bottom of the to-do list," she said.

"Those jobs really belong at the top. Whilst there is plenty of information online, it is by no means a one-size-fits-all.

"We hear all those horror stories of things that went wrong that sometimes could be avoided or better prepared for.

"I want to help people get some peace of mind. My job is to make it as easy, seamless and clear as I possibly can."

As a mobile firm offering a wide range of legal services, Swift Legal Solutions is the first of its kind to be found in the greater Brisbane area.

With this new focus, Swift Legal Solutions leads the way to better access to legal services to meet the needs of our public.

Swift Legal Solutions are a wholly mobile business, travelling from client to client, giving advice on all types of matters including conveyancing, wills, deceased estates, powers of attorney, retirement village contracts and aged care residences.

They offer quality service, affordable prices, no exorbitant sundries charges, legal advice in plain English, extended and after hours consultations, wherever you are.

Being the newest branch of Swift Legal Solutions, the local Jimboomba branch services the Logan and Scenic Rim districts.
